Photo exhibition

MY LIFE IS MY MESSAGE

The life and work of Mahatma Gandhi

Mahatma Gandhi worked for India's independence from the British rule. A social reformer, he taught the world the eternal values of love, truth and nonviolence.

This photo exhibition presents the life and work of the historic figure of Mahatma Gandhi through rare photographs. In an interdisciplinary project, Gandhi scholars, historians, photo experts and graphic designers joined hands in order to turn black and white photographs into colour images, thus making them true documents of history. The missing colours were added according to the historic settings. By this the pictures have been brought closer to the colourful images the photographs document.

Technicals

The photo exhibition *MY LIFE IS MY MESSAGE - The life and work of Mahatma Gandhi* consists of 108 numbered photographs of the life and work of Mahatma Gandhi in chronological order with captions.
